Winning bidders will be provided with the appropriate shipping contact to coordinate pickup of the merchandise in their "Order Paid" email. Shipping arrangements can be made as soon as you receive this email. Buyers are responsible for arranging their own shipping from the appropriate distribution centre. All purchases are FOB unless otherwise noted.

PRODUCT CONDITIONS

Purchasing B2B liquidation merchandise is a great way to stock your shelves, however, it is not like purchasing new-to-market inventory. Please pay careful attention to the auction description and photos; familiarize yourself with our product conditions as defined below:

Grade A:

New condition, fully functional inventory

Grade B:

Like new, fully functional inventory, may display light cosmetic scratches, no dents, tears or deep scratches

Grade C:

Partially functional inventory and/or inventory with heavy cosmetic damage including deep scratches and dents, accessories may not be included

Grade D:

Untested or non-functional inventory, may be missing parts and accessories

Mixed Grade:

Mixed inventory of different grade conditions: complete mix of inventory in one lot, may be not manifested and include brand new, to faulty, damaged, or salvage items.

OVERSTOCK:

Mixed inventory of different grade conditions: complete mix of inventory in one lot, may be not manifested and include brand new, to faulty, damaged, or salvage items.

BUYER'S PREMIUM

A buyer's premium is a standard auctioneering fee that helps cover the cost associated with sourcing products, marketing auctions, running the marketplace and managing services such as payment collection and listing processing. Unless otherwise stated in the auction, our standard buyer's premium is 10% of the final bid price. Please keep in mind that this amount will be added to the final winning bid to arrive at the final amount due.
